

Campus Wear

Teays Valley Christian School is committed to Campus Wear. What is *Campus Wear*? Simply, it is coordinated clothing for students, *Campus Wear* is to be worn during the school day by all students enrolled in kindergarten through twelfth grade.

This booklet outlines in detail the dress code guidelines for all students. So keep this booklet handy as you may refer to it often.

WHY Campus Wear?

Teays Valley Christian School is part of the enthusiastic growth and use of *Campus Wear* by private and public schools across the country. *Campus Wear* projects an atmosphere of solidarity, loyalty, and equality among the student population. The use of *Campus Wear*, as opposed to the latest fashions, eliminates unnecessary competition in dress and focuses the attention on learning and growing.

Campus Wear provides a professional approach to learning and removes some of the distractions normally confronted when young people face the dilemma of possessing the latest designer fashions. Considering that fashions change from year to year and season to season, parents often feel pressure from their children to provide them with the most current styles. *Campus Wear* reduces the cost of “keeping up” since it remains the same day after day, year after year. The cost, in relation to fashion merchandise, is very appealing over the long term.

Experience has shown that students required to maintain a neat appearance and to coordinate their wardrobe within the established parameters are likely to carry over these habits to the performance of their school work. Using *Campus Wear* is a positive method of establishing good habits and promoting a climate for discipline and responsibility.

HOW DO I CHOOSE THE CORRECT SIZE? *Campus Wear* sizes are not always consistent with regular sizing. It is advisable to try on samples the first time you order. Sizes will be kept on file for future orders.

CAN I BUY *Campus Wear* ANYWHERE ELSE? Again, School Closet is our exclusive provider other than pants/shorts or unless otherwise noted. They have committed to providing full service to TVCS families and we have committed to buy from their company. Similar items may ***NOT*** be purchased at local discount stores, or unapproved consignments shops. Schools that have tried to mix and match have only run into problems with cheaper fabrics, color fading, style changes, and insufficient service. Thus, similar items may not be purchased at local discount stores.

CAN I RE-ORDER *Campus Wear* THROUGHOUT THE SCHOOL YEAR? Yes, the store is open all year. During the school year, there is free delivery service to TVCS every week.

HOW MANY SETS OF *Campus Wear* SHOULD I PURCHASE? We suggest that each student have at least three full sets of clothing: one for wear, one in the closet, and one in the laundry. Your buying pattern will be determined by your laundry schedule and the level of activity of your child. However, you should not try to buy everything all at once. Get what is needed to start the school year and add according to seasonal temperature change.

IF I ORDER EARLY AND THE GARMENTS DO NOT FIT BY THE TIME SCHOOL STARTS, CAN I EXCHANGE THEM? Yes, any item that has not been laundered, altered, and has all the original tags attached, **can be exchanged or returned for up to six months.** Exchanges can be made by calling School Closet and then bringing the item to TVCS for them to pick up at a later time.

WHAT ABOUT RESALE? Resale events are scheduled throughout the school year on an as needed basis. Call the school office to inquire about the most current resale event date.
